

# Welcome to your FREE Friday tennis coaching session!

Dai Williams our club coach offers a free group coaching session on a Friday evening from 6-7pm to all players looking to try out and before joining the club. It's on Court 4 down the path on the left hand side walking down the hill

This is handy for anyone getting back into the game or improving your shots - talk with Dai if you need other sessions before joining the club and the regular Tuesday evening mixed doubles sessions. Future Friday group sessions are £4

On Tuesday evening mixed doubles nights in the winter there is a £2.50 charge for all players for floodlights - free in summer

When you join, Nigel in the bar will kit you out with membership card, club entry fob and car park pass

## See you on court!
